## PIGEON MANUAL BREAST PUMP (BASIC)

### FEATURES:

### 3 Key Factors for Simple & Fuss Free Pumping

#### 1. Fit

- Comfort ProperFit™
- Offers 2 funnel sizes – regular and large.
- Soft Flange Cover provides a secure seal & comfortable fit for more efficient pumping.

#### 2. Gentle Stimulation

- 2 Phase Technology – Stimulation and Expression modes.
- Gently stimulates the breast for smooth expression.

#### 3. Expression

- Ergonomic easy-express handle reduces hand fatigue.
- Simple and easy to use.
- Comfortable, easy pumping.
- Quiet, compact and lightweight for a discreet pumping experience.
- No-backflow feature prevents milk from flowing back to the funnel.
- Includes bottle stand that secures bottle and prevents spills.

## MICROWAVE STEAM STERILIZER

### FEATURES:

- Holds 5 standard size or Wide Neck Bottles.
- Fast sterilizing cycle of only 5 minutes.
- The unit must be cleaned after each use.
- Suitable for use in a regular domestic Microwave Oven.
