1

Feeding Spoon for purées

- Develops good eating skills for babies who cannot yet squeeze their lips closed.
- Perfect depth to allow the infant to sweep the food into the mouth with it's lips.
- Made of soft, safe materials.
- Offers a gentle feel to babies whose teeth have not yet erupted.

WEANING SPOONS

2

Feeding Spoon for Juice and Soup

- Contoured to fit the mouth.
- Develops the correct eating techniques, even if baby is still not proficient using the upper lip.
- Soft construction and cup-like rounded edges make easy transition to cup feeding and drinking.
